

WYOMING PHARMACY ACT EXCERPT

33-24-157. Immunization administration.

(a) A pharmacist licensed under this act may only prescribe and administer immunizations recommended for healthy adults as authorized by the board.

(b) A pharmacist licensed under this act may administer immunizations to adults who are considered high risk only by prescription from a licensed physician.

(c) The board, in cooperation with the Wyoming state board of medicine, shall adopt rules specifying immunizations allowed under this act and the requirements a pharmacist shall meet in order to prescribe and administer immunizations.
