

Minutes of the Special Board of Pharmacy Meeting on August 16, 2013 (Teleconference)

Attending Board of Pharmacy members: Randy Harrop, Bessie McGirr, Kerri Kilgore, Stephanie McAntee, Charlie Smith, Jim Massengill, Kelly Roseberry (Attorney); Board Staff: Mary Walker, Richard Burton, Hank York, Stephanie Kosinski (PharmD Candidate and Recorder); others: Kara Beech (WPHA), Stevi Sy RPh(WPHA), Rebecca Hill RPT(Safeway), Maria Simental RPh(Osco), Roxanne Spalding RPh(Safeway), Raven Beattie RPh (Walgreens), Levi Boren (PTCB), Perri Schneider RPh (Walgreens), Jonathan Beattie RPh (WalMart), Donna Artery RPh (WY DOH), Chris Brown (WRA), Larry Wolfe (Safeway), Jennifer Steiner Intern, Michelle Page Intern, Lanae Fox (WPHA), Ron LeBlanc RPh (Kmart).

President Harrop called the meeting to order at 11:10 am and it was determined there was a quorum and that comments from the audience would be taken during review of rules chapters. Note: the teleconference phone did not recognize the agency leaderphone account so it was not available at the start of the meeting.

Old Business

(a) Board email addresses have been issued. Bessie McGirr's did not work. Kelly Roseberry mentioned that board members should use the state email address for all board business to protect their personal information should a public records request occur. It was decided that the agency will send a notice to the regular email address when there is something at the wyboards.gov address for the time being. Stephanie McAntee mentioned that the state email can be accessed from smartphones.

(b) Chapter 15 Long Term Care Rules: The chapter was reviewed and a few spelling errors were noted to be corrected but no other changes were recommended.

(c) Chapter 6 (CSA) Prescriptions in General: The chapter was reviewed with attention brought to the section 11(b) where the "90 day" change was made as decided in the June meeting. Attention was also brought to Section 5 (b)(v) "Under no circumstances may stickers be utilized for information relating to patient name, drug, strength, quantity or directions". Board staff tell pharmacists they can make an emergency prescription and have the prescriber mail a correct prescription so that patient care is not delayed. This is an issue on the borders with out of state prescribers.

NOTE: at this point the telephone was connected at 8:37 am and there were 9 people on the teleconference.

No other comments were made regarding Chapter 6 and no changes were recommended.

(d) Chapter 16 Immunization by Pharmacists: This chapter was reviewed section by section with many comments from the audience including those on the telephone and a long discussion ensued. Issues included the definition of private space, which vaccines should be allowed, what pediatric training would be required, documenting in the WYIR system, and who should keep records if vaccines are administered "off-site". President Harrop called for a break at 12:35 pm. The meeting was called back to order at 12:50 pm. The Board members were the only comments taken in the next review of Chapter 16.

An 8 ft by 8 ft section of the floor was marked off with masking tape and two chairs and a small table placed in it for visual note of "private space". The board of medicine requested space large enough to lay a person down and have room for emergency workers. K. Roseberry stated that is not part of the statute. The following motions were made:

Section 2 (e): C. Smith moved to state private space as "64 sq ft". There was no second, the motion failed.

K. Kilgore moved and B McGirr seconded to state "no less than 48 sq. ft" instead of 8 ft by 8 ft. The motion carried.

Discussion was held about the partition vs. wall.

K Kilgore moved to delete "that is completely solid from floor to top" and replace with "that ensures patient safety and confidentiality". J. Massengill seconded the motion, Motion carried.

K Kilgore moved to delete "and the non pharmacy area". J. Massengill seconded, Motion carried

K. Kilgore moved to add "the partition cannot be a curtain". B. McGirr seconded and the motion carried.

Section 4 (a) : Discussion was held on which vaccines should be included. Most of the series vaccines would be completed by age 7, but the pharmacist could do "catch up" if the parents did not complete the series or do not have a primary care provider.

J. Massengill moved to state "be restricted to Hepatitis B, Influenza, Varicella, Measles- mumps- rubella (MMR), Pneumococcal, Human Papillomavirus (HPV), Hepatitis A, Meningococcal, Tetanus-Diphtheria-Pertussis (DTap, Tdap). B McGirr seconded and the motion carried with a vote of 3 to 1.

Section 9 (c) : K. Kilgore moved to delete (c) because it is in the statute. J. Massengill seconded and the motion carried.

Section 10 (c): Discussion was held about the addition of a "waiver" to the consent form. Many patients do not read the information. K. Kilgore moved to add: "(i) Consent form shall include documentation that the patient has discussed the side effects with the pharmacist; ii) Consent form should include it is recommended that the patient stays for 15 minutes and, if chooses not to, has discussed with the pharmacist how to seek treatment for side effects should they occur." J. Massengill seconded the motion and the motion carried.

K. Kilgore moved to delete Section 10 (c). J. Massengill seconded the motion and the motion carried.

Section 11: Discussion was held about "private space" being necessary for an off-site immunization clinic. The statute states that a pharmacist will use private space. No changes were made.

K. Kilgore moved to send Chapter 16 to public comment. B. McGirr seconded the motion and the motion carried with a vote of 4-0.

Chapter 2: M. Walker mentioned that "physician" was changed to "practitioner" at the request of the collaborative practice committee and in several other places . The definition of "practitioner" was reviewed. B. McGirr prepared changes to section 15 but the group had not reviewed them before the meeting so it was tabled at this time. No changes were made to Chapter 2.

B. McGirr moved to send chapters 6, 15, and 2 out for public comment. K. Kilgore seconded and the motion carried with a vote of 4-0.

Ron Leblanc asked to read a statement regarding Chapter 10 and the proposed changes to add "pharmacy technician specialist".

M. Walker suggested that the rest of the business be tabled to the September meeting except for item (g), funding for the board attorney to attend a national certification training. C. Smith moved and B. McGirr seconded to have the board of pharmacy pay the \$675 fee for the training. The motion carried.

The Board adjourned to Executive Session. The Board returned to Public Session and the following Dockets were considered:

Docket number 13-16:

K. Kilgore moved and B. McGirr seconded to ACCEPT the Settlement agreement, Motion carried 4-0

Docket number 12-41:

B. McGirr moved and K. Kilgore seconded to ACCEPT the Settlement agreement, Motion carried 4-0

Docket number 13-03:

K. Kilgore moved and B. McGirr seconded to ACCEPT the Settlement agreement, Motion carried 4-0 with J. Massengill recused., R. Harrop voting

Docket number 13-34:

K. Kilgore moved and B. McGirr seconded to ACCEPT the Settlement agreement, Motion carried 4-0

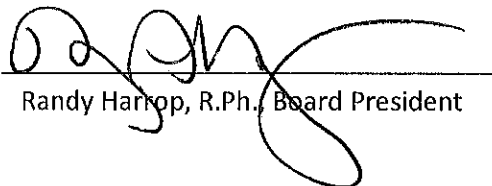

The meeting then adjourned at 2:56 pm.

Respectfully submitted and reviewed:

Mary Walker, R.Ph., Executive Director (Notes by Stephanie Kosinski, PharmD Candidate)

Minutes approved and entered into record:

Randy Harrop, R.Ph., Board President
