

MINUTES
WYOMING STATE BOARD OF PHARMACY MEETING
June 6, 2007
Cheyenne, WY

SUBJECT	DISCUSSION	ACTION TAKEN
<i>Meeting called to order by Board President, 11am, June 6th</i>		
Board Meeting Minutes, April 18-19, 2007	Minutes reviewed, no changes noted	Minutes approved as written
Cheyenne Free Pharmacy	Natasha Gallizzi, PharmD and Rhonda Priest explained the proposed pharmacy to be operated by Laramie County Centralized Pharmacy Project. The pharmacy would be located in the old hospital in Cheyenne and provide a means to dispense medications received from the Wyoming Medication Donation Program. The plan is to obtain a retail pharmacy license and be open approximately 15 hours a week. They do not plan to charge for any medication other than a handling charge if medications are mailed to other communities. Jim Carder and Richard Burton conducted a site review of the proposed location of the pharmacy and there does not appear to be any problems with meeting board requirements for a pharmacy.	No action required, but board will be updated.
Stakeholders Workshop-September 12, 2007	Reviewed/discussed content of initial letter to be sent to potential stakeholders. Briefly discussed agenda	Content of letter agreed upon and will be mailed later this month. A cover letter and agenda will be mailed in July. Board will work with staff on further development of the agenda, speakers etc.
Rules being considered for 2007	Reviewed/discussed April revision of proposed rules and took comments from the public. The following proposed rule changes were discussed: <u>WY Pharmacy Act, Rules and Regulations</u> <ul style="list-style-type: none"> • Chapter, Section 4 – Foreign pharmacy graduate defined-no changes noted • Chapter 2, Section 5 – Rules addressing foreign pharmacy graduates licensure by exam- no changes noted • Chapter 2, Section 6 – Rules addressing foreign pharmacy graduates licensure by reciprocity- no changes noted • Chapter 2, Section 11 – Rules addressing labeling of unit of issue packaging 	Board voted 2/0 to adopt changes to Chapter 2, WPA, R&R, Section 4, 5 & 6 by emergency rule. Remainder of rules will be considered for rule-making at the July meeting. Changes to the draft will be posted on board's web site under "proposed rule-making" and will be included with the agenda under "calendar of events" for the July meeting. Changes will need to be made to Chapter 10 and will be addressed at the July meeting.

- Chapter 2, Section 33 – Rules addressing centralized prescription processing. Questions concerning “real-time” data transmission have not been resolved and will be further researched.
- Chapter 2, Section 34 – Rules addressing automated storage and distribution systems to be accessed by patients and units to be accessed by professional staff
- Chapter 3 – rules addressing foreign pharmacy graduates licensure as a pharmacy intern and practical experience requirements.
- Chapter 10 – proposed rules concerning education requirements for pharmacy technicians. Considerable discussion with the public in attendance.
- Chapter 13 – Rules addressing USP 797 guidelines for sterile compounding.
- Chapter 16 – Rules adding human papillomavirus (HPV) and Tdap to list of immunizations that may be prescribed or administered by a pharmacist.

WY CSA, Rules and Regulations

- Chapter 6, Section 4 – Rules addressing security paper
- Chapter 8, Section 7 – Rules addressing the reporting of tramadol and carisoprodol to the PDMP. A question concerning technical problems that may be encountered with pharmacies reporting non-controlled substances was resolved with communication with the Ohio Board of Pharmacy. Ohio has required reporting tramadol and carisoprodol for approximately 16 months and they have not encountered any problems. Neither tramadol or carisoprodol are controlled substances in Ohio

BFY 07-08 Budget
